# Thank You!

The Rebuilding Together event of 2015 was a huge success because of the financial and in-kind support of those listed below, as well as hundreds of volunteers who generously contributed their time and talents. These contributions have changed the lives of 10 homeowners and their families in the Crown Point area and provided improvements to the Lake County Fairgrounds as our 2015 Community Service Project.

Our mission is to preserve and revitalize houses and communities, assuring that low-income homeowners, particularly those who are elderly and disabled and also families with children, live in warmth, safety, and independence.

Rebuilding Together of South Lake County rotates among the towns of Lowell, Merrillville, Crown Point, and Cedar Lake. The group, in existence since 1995, is one of more than 200 affiliates of the nation's leading nonprofit working to preserve affordable homeownership and revitalize communities.
